Please check the term you are requesting an appeal Summer 2011 Fall 2011 Spring 2012 Summer 2012

Please note the following:

- **Financial aid suspension is a serious situation that warrants careful examination of the causes and a plan of action. Each section on the reverse must be answered thoroughly. Attach additional documentation if needed, and all appeals must be submitted through this form. Incomplete sections will cause your request to be dismissed without consideration.**
- **You have been placed on Financial Aid Suspension for exceeding 150% of your program length. In order to maintain satisfactory academic progress for financial aid purposes, students must complete all degree requirements within 150 % of the normal length of the program (including transfer credits), or when it is determined that completion cannot be met within this time frame.**
- **You must meet with an Academic Advisor to complete and attach a graduation check down/Academic Plan indicating the specific courses/credits required to complete your degree or certificate program prior to submitting this form. You must include the graduation check down/Academic Plan with this form.**
- **This is a one-time appeal for this degree program or certificate. If you change your major/degree prior to completion of this degree or certificate program, a second appeal will not be considered, and you will be suspended from receiving financial aid in the future.**
- **If your appeal is approved, you must successfully complete 100% of the credits you attempt each term.**
- **Any credits attempted for course work not included on the list provided by your advisor will not be included in your enrollment status for financial aid and will reduce your approved credit hours allowed. You will not be eligible for additional hours other than those indicated by the advisor.**
- **Any course(s) you withdraw from or fail will reduce your approved credit hours, and you will not be eligible to appeal for additional hours. Once you exceed the number of appealed credit hours, you will no longer be eligible for financial aid**
- **The decision of the Appeals Committee is Final.**

IMPORTANT INFORMATION REGARDING YOUR FEE STATEMENT:

- If you had financial aid deferring the payment of your tuition and fees at the time your suspension was posted, your tuition and fees will continue to be deferred until a decision is made on your appeal, **if the appeal is submitted by the deadline.**
- If you **did not have** a financial aid award at the time your suspension was posted, you will either need to pay your charges or apply for a Falcon Loan. (See the Student Accounts Office for more information.)
- If your appeal is denied and you have unpaid tuition, fees and/or a book loan/voucher, **you are responsible for the payment.**

CERTIFICATION STATEMENT: I certify that the information submitted is true and correct to the best of my knowledge. I have read each section and provided the required documents explaining why I could not complete my degree within the normal time length, and what will be different about the upcoming semester. I must meet with an Academic Advisor to obtain a graduation check down. I understand that I will be notified of the final decision through FalconMail, and the decision of the Appeals Committee is final.
